

Associate, Family Law

Myers LLP is a Winnipeg-based, mid-sized, full-service law firm committed to providing high quality legal services to our diverse clientele. We provide a comprehensive range of legal services to a variety of clients, both large and small, in a number of different practice areas including family law, real estate, wills & estates, child protection, civil litigation, labour and employment law, criminal law and Indigenous legal services.

We are interested in hiring an associate lawyer to join our Family Law practice area. As a member of the team, you will provide advice and guidance to diverse clientele in different aspects of family law. The successful candidate should have a minimum of 1 year experience as a family lawyer, as well as excellent communication skills.

Why Us?

Our firm offers a very competitive compensation and benefits package. We believe strongly in the value of mentorship and strive to provide meaningful opportunities for associates to learn and grow their practice with the help and support from partners and senior associates. As a full-service law firm, we offer expert support for the real estate and corporate commercial aspects that flow from many family law matters. We have a strong internal referral process as well as a lucrative legal care program that creates opportunities for our associates to grow their practices.

We have built a collegial and positive firm culture that is friendly, collaborative, and flexible, with a focus on teamwork. Firm members engage both on and off-site, participating in recreational activities like league sports and family events, as well as collaborative endeavors within the office, including professional development sessions, team lunches, gatherings, and enjoyable activities such as bingo. Our associates are encouraged to give back to their community and participate in volunteer opportunities should that interest them. We celebrate our wins together and find opportunities to have fun along the way. Our associates of today are our partners of tomorrow.
