

How to Pay an Invoice with Myers LLP

Please use one of the following payment options to pay your Myers LLP invoice or provide a retainer.

Online Banking:

You may pay your bill via online banking as Myers LLP is set up as a payee in online banking with most major Canadian banks and credit unions. When entering your account number, do not include special characters such as hyphens.

E-transfers:

E-transfers can be sent to accounting@myersfirm.com with Myers LLP as the recipient name. To help us apply your payment promptly, please include the client name, file number, and applicable invoice numbers or “Retainer” in the message field.

Credit Card

To pay by credit card, use the payment link or scan the QR code at the bottom of your invoice. Secure online payments can be made by Visa, Mastercard, Discover, American Express, Visa Debit, Apple Pay, or Google Pay. You may also contact reception at 204-942-0501 to pay by credit card over the phone.

If you wish to provide a retainer using a credit card, please contact us to request a payment link.
